

Harris County Democratic Party 2018 Field Program

The 2018 HCDP plan will use our time efficiently by reaching out to only highly active voters and supporters over 3 phases on contact. Our first phase is to expand our volunteer efforts by targeting the strongest Democrats in the county. This phase is crucial to building a robust 2018 program and a long-term Harris County Democratic Party volunteer base. In the fall, we will expand to phase 2 with direct voter contact (DVC), either over text, phone, mail, or on the doors and Vote by Mail chases. We will place an emphasis on phone calls, mail, and text, as our targeted voter universe is made up of Democratic base voters who need less of a push. We will bring the party's poll tested messaging directly to voters, because we want to arm volunteers and activists with messaging designed to mobilize for a non-presidential year. The third phase will be Early Vote and GOTV.

The Field Program will use our volunteers and staff and is the largest volunteer Democratic organization push in the state of Texas on a precinct by precinct basis. The goal of this program is to increase midterm turnout and ensure that the county goes blue by targeting base Democratic voters. This program will target 282,472 voters with a breakdown of 34% African-American, 21% Latinx, 6% AAPI, and 39% Caucasian. Of those nearly 300,000 voters, 124,691 are Vote by Mail targets.
